Heating circuit manifold Type Comfort 90-3 made of stainless steel

for underfloor heating and cooling systems,
manifold stems made of stainless steel

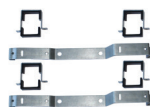

Monitoring:
In-house monitoring

Product description:

- Easy to assemble, flat sealing connecting technology
- Discharge and breather valve integrated in the manifold stems

Accessories:

Bracket set for manifold
Article no. 5004824

Assembly kit for heat flow meter

- vertical installation
 - 3/4" **Article no. 5006582**
 - 1" **Article no. 5006580**
- horizontal installation
 - 3/4" **Article no. 5006583**
 - 1" **Article no. 5006581**

TECHNICAL DATA

Inflow manifold DN 25	integrated, shut-off flow indicator 0.1 - 5 ltrs./min
Return collector DN 25	integrated, shut-off fine valve for setting the heating medium flow levels, handwheel protective cap and screwable adapter for installing the actuators
Max. operating pressure	6 bar
Closing dimension	11.8 mm
Packaging unit	1 piece

- Manifold with unilateral 1" outer threading for connection to a system, available as right/left or variable sided versions

Manifold extension set 1"
Article no. 3058303

Backflow thermometer
Article no. 5004133

Article information

Article no.	Number of heating circuits	Length
3053410	2 heating circuits	170 mm
3053411	3 heating circuits	220 mm
3053412	4 heating circuits	270 mm
3053413	5 heating circuits	320 mm
3053414	6 heating circuits	370 mm
3053415	7 heating circuits	420 mm
3053416	8 heating circuits	470 mm
3053417	9 heating circuits	520 mm
3053418	10 heating circuits	570 mm
3053419	11 heating circuits	620 mm
3053420	12 heating circuits	670 mm
3053421	13 heating circuits	720 mm
3053422	14 heating circuits	770 mm

Accessories:

Ball valve set 1" IG/1" IG

- Standard

Article no. 5000732

- Standard with thermometer

Article no. 5004132

- Vertical

Article no. 5004111

Line regulating valve set 1"

Article no. 5000736

Mini ball valve

Article no. 5004118

Overflow set manifold

Article no. 1258095

Differential pressure regulator

Article no. 5006294 (PV 25)

Article no. 5006293 (PV 20)

Adapter clamp connection 3/4"
available in various sizes
